Fred made a motion to approve August minutes, Phil seconded, vote was 7-0.

Phil reported the town administrator has sent him information regarding what can be done at Granite Pier as far as commercial activity. He has not had a chance to look at it yet. He will read it before the next meeting with the Army Corps.

Scott responded to questions about adjusting the chain fall at White's Wharf. This will likely be done in the spring. He also said they are looking at moving one of the sailboats.

Skip asked about work on the breakwater. Scott and Rosemary said the work is scheduled to begin in two weeks.

The committee discussed the new procedure to turn the foghorn on.

The tool company appears to be in limbo. Larry said there is work beginning in building on town side.

There was discussion about setting up a Facebook page to answer specific questions from the community. Skip will first talk with the town administrator.

Skip will look into booking the library for the second Wednesday of each month for the winter.

It was agreed to not meet in November and December because of the holidays, and we'll resume on the second Wednesday of January.

Fred talked to Scott and Rosemary about transient moorings. Scott suggested Fred may want to go to the DEP with his concerns.

Motion to adjourn, motion seconded, vote was 7-0.
