Complete list of Approved Title 5 Inspectors:

<http://www.mass.gov/eea/agencies/massdep/water/wastewater/approved-soil-evaluators-and-system-inspectors.html>

The Rockport Board of Health and its Agents do not promote or endorse
any particular septic system inspector.

Please note that if you are selling your home and need a Title 5 Inspection, it's important to start the process as soon as possible to afford ample time for the process. The Health Agent has 30 days to review the report and if there are modifications or repairs that need to be made or more information that the Inspector needs to provide to the Health Agent, all of these take additional time.
