NOTICE TO ROCKPORT RESIDENTS
WATER MAIN FLUSHING

With the concurrence of the Massachusetts Department of Environmental Protection, the Department of Public Works will flush water mains in various areas of the town to insure water quality throughout the coming summer months.

The water flow may be temporarily turned off, disrupted or discolored between the hours of 9:00 pm to 7:00 am & 9 A.M. to 4 pm for the purpose of flushing areas on the dates indicated below.

- Downtown Area Monday – May 3rd 2021
- South End Area Tuesday – May 4th 2021
- Pigeon Cove Area Wednesday – May 5th 2021

Hydrants on dead end streets will be flushed during the daytime.

Residents can run their water before use each morning to check for discoloration. Be sure water runs clear before washing white laundry. Dates may be adjusted if weather conditions require flushing postponement.
