

Celebrate Earth Day 2019 with Rockport Rights of Way

SATURDAY, APRIL 27

9:00 AM until 11:00 AM

Please join us as we clip and clear the beautiful trails of **Delamater Sanctuary**, to get them ready for spring walkers. We will meet at 9:00 AM in the Rockport Golf Club Parking Lot (end of Country Club Road) and walk from there. Parking is limited so please consider carpooling or alternate forms of transportation!

Bring gloves, water, and hand tools – we'll have trash bags! Dress appropriately for the weather and the woods, and take precautions for ticks. Work as long as you like. For more information, visit www.rockportma.gov/rights-way-committee.

HOPE TO SEE YOU THERE!

We will also be at the Community House for Earth Day events – stop by to say hello!
